BY BROKER APPOINTMENT

Description:

A major opportunity to join a respected national franchise with a growing customer base. Store offers all forms of custom framing, including objects and shadow box enclosures, fabric wrapping, plus a conservation and preservation process which exceeds the requirements set by the Library of Congress. A wide variety of in stock molding promises the fastest turnaround in town with expert design and crafting. Fast Frame has 250 locations in the United States plus stores in the UK, Japan, Australia and Brazil.
